Subject: RoHS and Heavy metals

Honeywell has evaluated the following product with respect to the requirements of Directive 2011/65/EC (Restriction of the use of Certain Hazardous Substances in Electrical and Electronic Equipment, or RoHS, as amended), Directive 2002/96/EC (Wastes Electrical and Electronic equipment, or WEEE, as amended) and Directive 2000/53/EC (End-of-Life Vehicles, or ELV, as amended):

- **HON P/N: 111186 PTM-SMK**

While the RoHS and WEEE Directives pertain to electrical and electronic equipment, and while the ELV Directive covers vehicles, including their components and materials, based on available data, a review of the raw materials used in the manufacture, and a review of the production process, the above-mentioned product do not intentionally contain any of the following restricted substances that are subject to the above-mentioned RoHS/WEEE/ELV Directives, i.e, Lead (Pb), Mercury (Hg), Cadmium (Cd), Hexavalent Chromium (Cr VI), Polybrominated Biphenyls (PBBs), Polybrominated diphenylethers (PBDE), Bis(2-ethylhexyl) phthalate (DEHP), Butyl benzyl phthalate (BBP), Dibutyl phthalate (DBP), Diisobutyl phthalate (DIBP).

Please note that Honeywell does not routinely analyze completely for presence of these substances in the above-mentioned product.

Should you have any further questions regarding subject, please feel free to contact us.

Yours sincerely,

Honeywell APAC Product Stewardship Team
